

# GEOTHERMAL TAX CREDIT CERTIFICATE

This Manufacturer's Certification Statement certifies that certain Terra Caloric products meet or exceed the requirements of the Energy Star program with regard to efficiency and therefore are eligible for the tax credits identified in the American Recovery and Reinvestment Act of 2009. The IRS published a tax Notice 2009-41 detailing guidance regarding "Credit for Residential Energy Efficiency Property."

In accordance with the IRS guidelines, Terra Caloric has determined the following products are "Eligible Residential Energy Efficient Property" and qualify for the credit allowed under the Internal Revenue Code Section 25D, Section (a)(1) for the Well-Connect Geothermal Heat Pump plus installation costs when purchased and installed through December 31, 2016 on or in connection with a qualified dwelling unit in the United States.

Terra Caloric Products Eligible for Tax Credits:

**Well-Connect Geothermal Heat Pump: Model WCVC16XX**

**Well-Connect Geothermal Heat Pump: Model WCVC24XX**

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
